RAMADAN KUFIC TYPOGRAPHY

Mohamed Karram

I'm Graphic designer from aswan I live now in Cairo. I'm specialized in logo design, typography & design solutions.

Started my career in 2012 in logo design and branding. I worked in photography and graphic design from young age, Then specialized in logo and branding. After years of helping startups defining their digital identities and big companies in developing their brands and coaching young designers in the field, My passion is creating Simple yet influential messages through his logos & designs.

I create unique brand identities that tickle the brain and please the eye.
